

mate**RIAL**

mate**RIAL**. Design, eleganza ed uno stile raffinato vengono racchiusi nella gamma semi-direzionale appena rinnovata. Le finali **RIAL** riportano l'attenzione sulla struttura ad "U" che caratterizza la linea. Un progetto con un ampio ventaglio di proposte, che comprende l'evoluzione del sistema e l'introduzione del mobile di servizio reversibile sempre abbinabile. Piani in Cristallo retro-verniciato, in nobilitato o su richiesta in materiali a vs. scelta misti a strutture verniciate a polveri o cromate, rendono **RIAL** essenziale per un ambiente al passo con i tempi.

mate**RIAL**. Design, élégance et style raffiné sont inclus dans la gamme semi-directionnelle récemment rénové. Les finales **RIAL** signalent l'attention sur la structure "U" qui caractérise la ligne. Un projet avec un large éventail de proposition qui inclus l'évolution du système et l'introduction du meuble de service toujours réversible. Plateaux en verre, mélamine ou avec matériaux sur demande mixent avec structures époxy ou chromées, rendent **RIAL** indispensable à tout environnement.

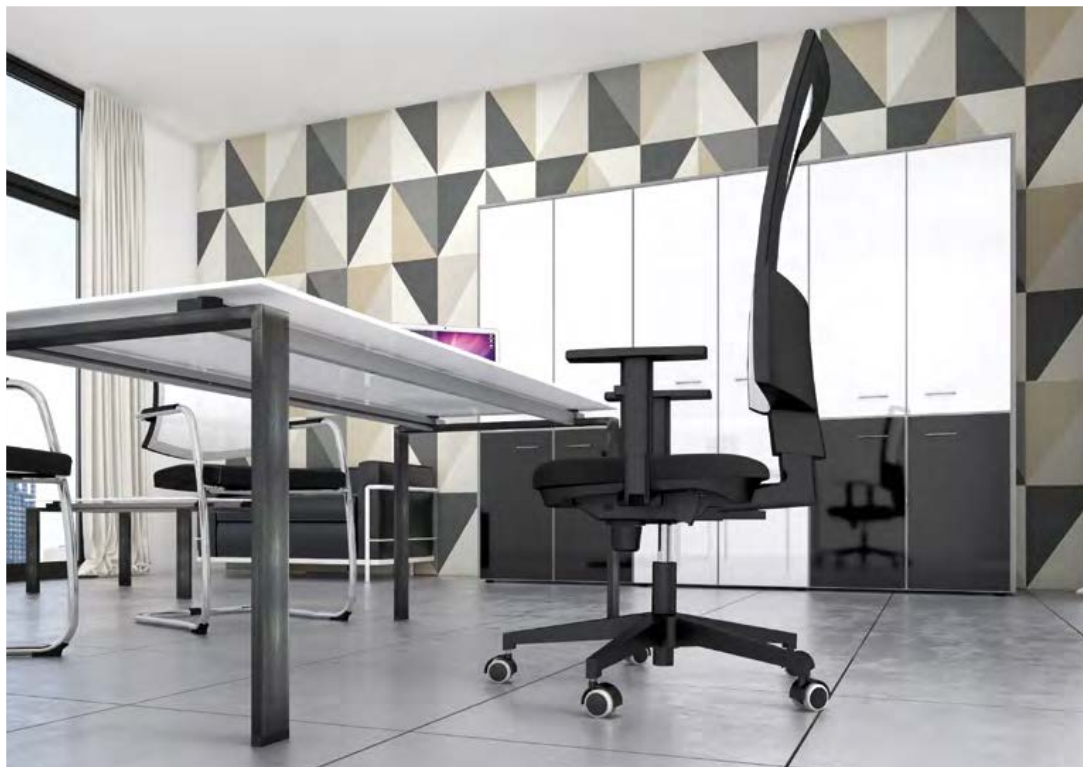

mate**RIAL**. With his modern and elegant design is now the marketplace with functional solutions and high profile, characterized by the brand new open structures. Different materials as glass, melamine panels, structures painted powder or chrome combined together and proposed in different colours allows you to express your personality.
